

Carol Hacker Memorial Graduate Student Scholarship

The Colorado School Counselor Association is proud to announce the offering of the Carol Hacker Memorial Scholarship for graduate students in the field of school counseling. The CSCA Graduate Student Scholarship is in the amount of \$500 and will be awarded to the most qualified candidate according to the criteria given below. CSCA wishes to encourage and support the profession of school counseling by recognizing outstanding students studying to become school counselors.

To be eligible to receive the CSCA Graduate Student Scholarship, the applicant must have completed one full year (24 graduate hours) of coursework with a 3.5 GPA or higher and be enrolled in a CACREP accredited school counseling program in the state of Colorado. The applicant must be a student member of the Colorado School Counselor Association.

The applicant must also submit a scholarship application packet containing the following:

- Cover letter stating interest
- Official transcript
- Two letters of recommendation from either professor or supervisor
- Evidence of professionalism such as presenting at a conference, developing/implementing a school counseling program, or the writing/publication of original research
- Evidence of community involvement or work with young people
- Essay on “Why I Want to Be a School Counselor”

Applicants may also be required to complete an interview with the Scholarship Committee (either by phone or face-to-face).

Deadline for submitting the application and all supporting materials is October 1, 2010. The scholarship winner will be notified by October 25, 2010, and will be announced at the Awards Dinner at the CSCA State Conference in Vail on November 11th and 12th. All decisions made by the Scholarship Committee are final.
