NYS STATEWIDE CTE CONFERENCE

June 28-29, 2016 | The Desmond in Albany, NY

Register at nysacte.org

JOIN US for an engaging two days of learning and sharing for the NYS Statewide Career and Technical Education Conference, June 28-29, 2016 at the Desmond Hotel in Albany, NY.

Who should attend? The conference will be a gathering of over 250 CTE administrators and teachers in the areas of AG, Business, FACS, Technology, Trade and Technical, Health Occupations and Work Experience Coordinators, as well as school superintendents, principals and school counselors.

What will it offer? An opportunity to network with other CTE professionals; gain knowledge of the most current issues, policies and practices in CTE; hear about best practices in CTE programs and classrooms; identify strategies for CTE advocacy; share classroom strategies and tools; increase your skills as a teacher or administrator; and earn professional development hours.

Join CTE Tentative Breakout Topics:

- Integrating CTE and CC Learning Standards
- Utilizing Information Technology
- Managing the CTE Program Approval Process
- Employability Profiles
- Collegiate Articulations & Technical Assessments
- Curriculum Crosswalks
- Advisory Boards
- Work Based Learning
- Promoting Career Development Skills
- Making Community and Post Secondary Connections
- CTE Best Practices & Instructional Strategies
- Work Life Balance
- Managing A Project Based Learning Classroom
- Student Leadership Organizations
- Beyond the Classroom— grants, mentoring, certification

Keynote Speaker: Ed Gerety

Ed Gerety is an author and one of the top professional speakers and leadership trainers in the United States. Through his personal experiences, inspirational stories, and powerful lessons, Ed teaches the life skills that are essential to develop leaders in school and in life. These skills include respect, character, gratitude, leadership, attitude, and making a difference. Whether he's speaking to students, educators, or parents, Ed's programs are relevant and critically important because these life skills are often being overlooked and not taught in today's fast paced technology driven world. He firmly believes that it's never too early or too late to improve yourself, to start following your dreams, or to strive to be a leader.
