# Where is the best place to hold a meeting?

- Does it facilitate interaction?
- Is there enough room?
- Is everyone on the same level?
- Will you be using technology?
- Does the arrangement support any activities you are leading?

# How to reach your SC program's goals by collaborating with stakeholders

- Consider
  - How do you want your program to be remembered?
  - What is the best tone for serving your purpose and goals?
  - How can an agenda and other PR tools help?
  - How will different members receive information you share?
  - How will you balance data talk with heart talk?
  - What advocacy is best done in this format?
  - How to embrace continuous improvement as a gradual process rather than a lightning strike?
  - How to be simultaneously serious yet gregarious as well as planned yet flexible?
  - How to end on a high note with a clear date in mind for the next meeting?

- SC Advisory Council meetings are where we work the outer diamond of the ASCA National Model.
- Let's look at an agenda v. minutes
- What to do with feedback and recommendations?
- Questions & Discussion
